Finishes catalogue

Possiamo rivestire a calandra ogni tipo di materiale in bobina, fra cui principalmente: carta finish a partire dai 50 gr/m², Alkorcell®, PVC, polipropilene, CPL, fino a un'altezza massima di 1850 mm. Tramite l'utilizzo di una pressa rivestiamo anche laminati in fogli. Il nostro reparto, recentemente ulteriormente ampliato, è attrezzato con le migliori tecnologie disponibili che, unite alla nostra expertise, all'attenzione alla qualità e al servizio, assicurano prodotti performanti e sicuri, nel rispetto delle più severe normative tecniche ed ambientali.

We can cover any type of reel material by calender, mainly: finish paper from 50 g/m², Alkorcell®, PVC, polypropylene, CPL, up to a maximum height of 1850 mm. Through the use of a press we also coat laminates in sheets. Our company has partnerships with all the leading manufacturers of European poplar plywood, focusing on the Italian industry which has always been synonymous with quality and reliability. Our calender department is equipped with the best technology available in the industry which, together with the attention at every step of production and the stringent quality controls, ensures product performance and safety, while respecting the strictest technical and environmental rules.
